CORAM: R.M. LODHA &
SMT.NISHITA MHATRE, JJ.

DATED: 18TH SEPTEMBER, 2006

P.C. :

. The applicant has filed Review Petition seeking Review of the order dated 19th October, 2001 passed by us. The Review Petition has been filed on 23rd April, 2003. Since the Review Petition suffers from delay, this Civil Application has been made on 3rd February, 2005 seeking condonation of delay.

2. The Review Petition suffers from delay of one

year and 156 days. The only explanation given in the application seeking condonation of delay is that the applicant initially thought of challenging the order dated 19th October, 2001 before the Apex Court, but on seeking advise it was felt that the Review Petition be filed.

3. We are afraid such long delay of one year and 156 days remains to be sufficiently explained and the explanation set out by the applicant does not constitute sufficient cause for long delay of one year and 156 days.

4. The application for condonation of delay is dismissed.

5. In view of this order, Review Petition is liable to be dismissed as time-barred and we order accordingly.
